2.1 The period of time during which the holders of TITAN Shares (the “**Shareholders**”) may accept the Tender Offer by submitting a relevant written declaration of acceptance (the “**Declaration of Acceptance**”) at any branch of Alpha Bank S.A. in Greece (“**Alpha Bank**”), starts on 19 June 2019, at 08.00 am (Greek time) and ends on 17 July 2019, at 02:00 p.m. (Greek time) (the “**Acceptance Period**”).

2.2 Alternatively, for their own facilitation, Shareholders who wish to accept the Tender Offer may authorize the operator of their securities account (i.e. the bank, investment services firm or other investment firm with which they cooperate) at the Greek Dematerialized Securities System (the “**DSS**”) with which their TITAN Shares are registered, to fill-in, sign, submit or dispatch the Declaration of Acceptance and in general to proceed with all necessary actions for the purpose of accepting the Tender Offer on their behalf.

3. Consideration

3.1 TITAN Cement International offers (i) one Consideration Share for each Ordinary Share, and (ii) one Consideration Share for each Preference Share, in each case which are lawfully and validly tendered during the Acceptance Period (the “**Tendered Shares**”).

The Consideration Shares carry the right to dividends, capital returns, distributions from distributable reserves or other distributions that may be made by TITAN Cement International after the date settlement of the Tender Offer has complete. Detailed information in relation to, among other matters, the Consideration Shares and the rights of the holders of Consideration Shares is included in the Prospectus.

TITAN Cement International will also assume payment of the duties levied in favor of the Hellenic Central Securities Depository (“**HCS D**”) on the registration of the off-exchange transfer of the Tendered Shares in accordance with article 7 of the Codified Decision 1 (session 223/28.1.2014) of the Board of Directors of the HCS D, as in force, which would otherwise be payable by the Accepting Shareholders (as defined below). Such duties amount to 0.08% on the value of the Tendered Shares and are calculated in accordance with the abovementioned provision.

As derives from the letter of the Independent Authority for Public Revenue dated 19 November 2018 the transfer of the Tendered Shares to TITAN Cement International in consideration for Consideration Shares will not be subject to the tax provided for by article 9 paragraph 2 of Law 2579/1998 in favour of the Greek State, which amounts to 0.20% and is imposed on sales of shares listed on the ATHEX (the “**Sales Tax**”), since such transfer will not qualify as a sale under such law. As a result, Accepting Shareholders receiving Consideration Shares (irrespective of whether they are held through Euroclear Belgium or at the DSS through the HCS D) will not be required to pay the Sales Tax.

3.2 Shareholders who lawfully and validly accept the Tender Offer in accordance with and subject to the terms and conditions set out in the Information Circular and the Declaration of Acceptance (the “**Accepting Shareholders**”) will be entitled to elect to receive, for each Tendered Share, (i) one Consideration Share held in book-entry form through Euroclear Belgium, or (ii) one Consideration Share held in book-entry form at the DSS through the HCS D.

3.3 It should be noted that an Accepting Shareholder who elects to receive Consideration Shares through Euroclear Belgium, or the financial intermediary (e.g. bank, investment services société anonyme, investment firm or other type of custodian) with whom such shareholder cooperates, will have to inform, prior to the end of Acceptance Period, the Euroclear Belgium participant with whom such shareholder has a direct or indirect relationship, of the receipt of the Consideration Shares through Euroclear Belgium at the time settlement of the Tender Offer is completed. If it is not so informed, the said participant may reject the receipt of such shares, or the delivery thereof to such

participant on behalf of the relevant Accepting Shareholder might not be possible. In these circumstances, the relevant Accepting Shareholder will receive Consideration Shares held in book-entry form at the DSS through the HCSD by means of registration with the securities account at the DSS with which the Tendered Shares were registered.

3.4 Furthermore, if an Accepting Shareholder elected to receive Consideration Shares through Euroclear Belgium but failed to provide the information or documents required in the Declaration of Acceptance to be able to do so, or if such information or documents are erroneous or incomplete, such shareholder will receive Consideration Shares held in book-entry form at the DSS through the HCSD which will be delivered by means of registration with the securities account at the DSS with which the Tendered Shares were registered. The above shall also apply either (a) in the absence of an election made in the Declaration of Acceptance, or (b) in the case of holders of “Joint Investor Share Account” or of joint holders of TITAN Shares who elected to receive Consideration Shares through Euroclear Belgium and have not duly procured that they will be able to receive them, that is by timely informing the Euroclear Belgium participant, as set out in paragraph 3.3 above, or if they do not provide the information or documents required in the Declaration of Acceptance, as mentioned above.

The Prospectus and the Supplement in the English language prevail over their Greek translation in case of discrepancy.

5. Listings on Euronext Brussels, ATHEX and Euronext Paris

5.1 On 13 May 2019, the Euronext Listing Board approved the listing and admission to trading of all shares of TITAN Cement International, including the Consideration Shares, on the regulated markets of Euronext Brussels and Euronext Paris (the “**Euronext Listing**”), subject to certain conditions. As at the Date of the Information Circular, the only outstanding condition relates to the issuance of the Consideration Shares and confirmation thereof pursuant to a notarial deed. If this condition is satisfied, Euronext Brussels will be the primary market for trading of the TITAN Cement International shares, and transactions in such shares executed on Euronext Brussels and Euronext Paris will be cleared and settled through Euroclear Belgium.

5.2 TITAN Cement International has also applied for the secondary listing and admission to trading of all its shares on the ATHEX, subject to receipt of the necessary listing approval.

6. Results of the Tender Offer

It is expected that the results of the Tender Offer will be announced on 18 July 2019 and the delivery of the Consideration Shares to the Accepting Shareholders will be completed on or about 22 July 2019, subject to paragraph 7 below.

7. Prerequisite and Condition

7.1 As set out in the Information Circular, the effectiveness of the Tender Offer is subject to the pre-requisite that, as at the end of the Acceptance Period, at least (i) 57,797,676 Ordinary Shares,

corresponding to 75% of TITAN's ordinary share capital and voting rights, and (ii) 5,676,720 Preference Shares, corresponding to 75% of TITAN's preference share capital, that is 63,474,396 TITAN Shares corresponding to 75% of TITAN's total paid-up share capital (together the "**Minimum Number of Shares**"), will have been lawfully and validly tendered to TITAN Cement International. In addition, the Tender Offer is subject to the issuance of the Consideration Shares and confirmation thereof pursuant to a notarial deed (the "**Condition**").

7.2 If (i) either the above pre-requisite of the Minimum Number of Shares is not fulfilled as at the end of the Acceptance Period and/or (ii) the Condition is not satisfied, the Tender Offer will *ipso jure* lapse, namely it will have no legal effect, and the Tendered Shares will be returned to their holders.

8. Right of Squeeze-out - Right to Sell-out

8.1 If, at the end of the Acceptance Period, at least (i) 69,357,212 Ordinary Shares, corresponding to 90% of TITAN's ordinary share capital and voting rights, and/or (ii) 6,812,064 Preference Shares, corresponding to 90% of TITAN's preference share capital have (each a "**Relevant Threshold**") been lawfully and validly tendered to TITAN Cement International:

(a) TITAN Cement International will exercise its right to require, as applicable:

- (i) if the Relevant Thresholds concerns Ordinary Shares, the remaining holders of Ordinary Shares to transfer to TITAN Cement International all their Ordinary Shares, in exchange for, at the election of the relevant holder, either one Consideration Share for each Ordinary Share, or payment of €19.64 in cash per Ordinary Share (the "**Ordinary Share Cash Consideration**"); and/or
- (ii) if the Relevant Thresholds concerns Preference Shares, the remaining holders of Preference Shares to transfer to TITAN Cement International all their Preference Shares, in exchange for, at the election of the relevant holder, either one Consideration Share for each Preference Share, or payment of €18.98 in cash per Preference Share (the "**Preference Share Cash Consideration**" and together with the Ordinary Share Cash Consideration, the "**Cash Consideration**"),

in each case in accordance with article 27 of the Law and the decision 1/644/2013 of the HCMC (the "**Right of Squeeze-Out**"), and

(b) TITAN Cement International will have the obligation to acquire all TITAN Shares of each class in respect of which the Relevant Threshold is reached that are offered to it within a period of three months from the publication of the results of the Tender Offer:

- (i) either through on-the-exchange transactions against payment in cash of (1) the Ordinary Share Cash Consideration if the Relevant Threshold concerns the Ordinary Shares, and/or (2) the Preference Share Cash Consideration if the Relevant Thresholds concerns the Preference Shares;
- (ii) or in either case, by delivery of the Consideration Shares at the Exchange Ratio,

in each case at the election of the relevant holders of TITAN Shares, in accordance with article 28 of the Law and the decision 1/409/2006 of the HCMC (the "**Right to Sell-Out**").

It is noted that the Right of Squeeze-out and the Right to Sell-out will be exercised for the class of the TITAN Shares in respect of which the Relevant Threshold will have been reached or crossed, subject always to the satisfaction of the Condition.

The Cash Consideration meets the criteria of the fair and reasonable consideration for each relevant class of TITAN Shares, according to article 9 of the Law, as described in detail in the Information Circular.

8.2 If, within the context of the Right of Squeeze-out or the Right to Sell-out, a Shareholder did not make any election or elected to receive Consideration Shares through Euroclear Belgium but failed

to provide the information or documents required in the Declaration of Acceptance to be able to do so, or if such information or documents are erroneous or incomplete, such Shareholder will receive Consideration Shares held in book-entry form at the DSS through the Operator Account of the Consignments and Loans Fund, in accordance with article 13a of the DSS Operating Regulation.

8.3 Shareholders electing Cash Consideration in connection with the Right of Squeeze-out or the Right to Sell-out will receive the relevant Cash Consideration after deduction of the Sales Tax.

9. Delisting of the TITAN Shares from the ATHEX

9.1 If, following completion of the Tender Offer or the exercise of the Right of Squeeze-out or the Right to Sell-out, as the case may be, TITAN Cement International holds 100% of the total voting rights in TITAN and 100% of TITAN's preference share capital, TITAN Cement International will request the convocation of a General Meeting of the relevant class of TITAN's shareholders to resolve upon the submission of an application to the HCMC requesting the delisting of the relevant class of the TITAN Shares from the ATHEX, in accordance with article 17, paragraph 5 of Law 3371/2005, at which (General Meetings) TITAN Cement International will exercise its voting rights in favour of such resolution.

Moreover, if, following completion of the Tender Offer or the exercise of the Right of Squeeze-out or the Right to Sell-out, as the case may be, TITAN Cement International holds 100% of only the Preference Shares and not of the Ordinary Shares, TITAN Cement International will seek the delisting of the Preference Shares from the Athens Exchange in accordance with the above paragraph.

It is stressed that, as, under the existing legal framework, the potential delisting of the Ordinary Shares from the Athens Exchange triggers the delisting of also the Preference Shares, if, following completion of the Tender Offer or the exercise of the Right of Squeeze-out or the Right to Sell-out, as the case may be, TITAN Cement International holds 100% of only the Ordinary Shares and not of the Preference Shares, TITAN Cement International will not seek the delisting of either the Ordinary Shares or the Preference Shares. TITAN Cement International will seek such delisting if it acquires in the future at least 95% of the Preference Shares.

9.2 If the percentage of the TITAN Shares which will be eventually tendered ranges between 75% and below 90% of each class of such shares, the TITAN Shares of the relevant class will continue to trade on the ATHEX in parallel with the shares of TITAN Cement International, which will trade primarily on Euronext Brussels and secondarily on the ATHEX and Euronext Paris, subject to the Condition and obtaining approval for the listing of the TITAN Cement International shares on the ATHEX.
