A Shareholder may be considered as not having validly accepted the Tender Offer to the extent that the Declaration of Acceptance has not been fully completed in accordance with the terms and conditions set out therein and in this Information Circular.

5. Information relating to, among other matters, the Offeror and the Consideration Shares is included in the Prospectus and the Supplement. The Prospectus and the Supplement were approved by the FSMA on 14 May and 12 June 2019, respectively, and the certificate of approval thereof, along with their Greek translation, have been provided to the HCMC and the European Securities and Markets Authority in accordance with articles 17 and 18 of Law 3401/2005 and the relevant provisions of the Prospectus Directive. The Prospectus and the Supplement have been drafted in English and are published together with their Greek translation on the website of the Athens Exchange (www.helix.gr/el/web/guest/companies-new-listings) contemporaneously with the publication of this Information Circular. The Greek translation of the Prospectus and the Supplement has been prepared under the responsibility of the Offeror. However, the Prospectus

and the Supplement in the English language prevail over the Greek translation thereof in case of discrepancy.

6. According to the announcements that TITAN has published until and including 6 June 2019, TITAN held an aggregate of 4,830,159 Treasury Shares, of which 4,627,329 were Ordinary Shares and 202,830 were Preference Shares. According to the Company Law, inter alia, the exercise of the voting rights corresponding to Ordinary Shares is suspended for as long as they are held by TITAN in treasury.
7. This Information Circular contains forward-looking statements that involve risks and relate to, amongst others, the business activities and certain plans and objectives that the Offeror has in respect of the TITAN Group and the Offeror Group. There are many factors (for instance, without limitation, commercial, operational, economic, political and financial), as a consequence of which the actual results and the actual developments may potentially substantially differ from the plans and the objectives of the Offeror and the TITAN Group set out in the Information Circular.
8. Information in relation to TITAN which is included in the Information Circular has been extracted or derived from (a) TITAN's published annual financial reports for the financial years ended on 31 December 2017 and 2018 prepared in accordance with Law 3556/2007, and (b) TITAN's announcements published on its website (www.titan.gr) and/or the website of the Athens Exchange (www.helex.gr). Such annual financial reports, announcements and websites and the information included or made available therein are not part of the Information Circular. It is noted that the Supplement includes information on the published consolidated interim condensed financial statements of TITAN for the first quarter of 2019 which ended on 31 March 2019. These financial statements do not form part of this Information Circular, but they are available on the website of TITAN (<http://ir.titan.gr/el/financial-figures>) and the website of the Athens Exchange (www.helex.gr/el/web/guest/company-fin.-statements).
9. The Offeror does not directly hold TITAN Shares or voting rights in TITAN. However, the Offeror is deemed to hold indirectly the Founders' Voting Rights, corresponding to approximately 22.49% of the total voting rights in TITAN, by reason of the Founders being the founders and sole shareholders of the Offeror, and, pursuant to the Shareholders' Agreement, persons acting in concert with the Offeror (as defined in article 2, item (e) of the Law) in relation to the Tender Offer, as well as their participation in the Offeror.
10. Neither the Offeror nor the Concerted Persons intend to purchase TITAN Shares in the market or over-the-counter until and including the end of the Acceptance Period.
11. As of Closing and until the TITAN Shares are delisted from the Athens Exchange, the Offeror Shares will trade in parallel with the TITAN Shares, unless the latter's trading is suspended or the Offeror holds all TITAN Shares. If the percentage of the TITAN Shares which will be eventually tendered ranges between 75% and below 90% of each class of such shares, the TITAN Shares of the relevant class will continue to trade on the Athens Exchange in parallel with the Offeror Shares which will trade primarily on Euronext Brussels and secondarily on the Athens Exchange and Euronext Paris, subject to the Condition and obtaining approval for the ATHEX Listing.
12. If a Shareholder has doubts or questions regarding the assessment of the Tender Offer, it is recommended to seek advice from an appropriate professional, financial or other, advisors of his/her choice.

2 KEY ELEMENTS OF THE TENDER OFFER

The information contained in this Chapter 2 has been extracted from, and is only intended to be a brief summary of certain elements set out in Chapters 5 and 6 of the Information Circular and it does not substitute the full text thereof. Accordingly, any decision to accept the Tender Offer or not should be based on reading and studying the Information Circular as a whole and not only this Chapter.

2.1 On 16 April 2019, the Founders entered into the Shareholders' Agreement, by virtue of which they have agreed to adopt, by concerted exercise of the voting rights they hold from time to time in the Offeror, including the voting rights that they will hold after Closing, a lasting common policy towards the management and operation of the Offeror. As a result of this agreement, the Founders are persons acting in concert among themselves and with the Offeror in relation to the Tender Offer as well as their participation in the Offeror.

2.2 The purpose of the Tender Offer is to facilitate the indirect admission of TITAN (and through it of the TITAN Group) to listing on Euronext Brussels, by means of the primary listing and admission to trading of the Offeror Shares on the securities market of Euronext Brussels. Pursuant to the Tender Offer, the Offeror seeks to become the direct parent company of TITAN and the ultimate parent company of TITAN Group with a shareholding structure where all TITAN shareholders will become shareholders of the Offeror.

The principal objectives of the Tender Offer are to:

- enhance the international nature of TITAN Group's business activities;
- link TITAN Group with a large international stock exchange, which will offer a broader and deeper investor base, thus enhancing liquidity of its traded shares; and
- broaden TITAN Group's funding sources, improving its access to both the international debt capital markets and international banking institutions, to achieve more competitive financing costs.

2.3 The Tender Offer is being made for any and all TITAN Shares, including the Treasury Shares, which the Offeror and/or the Concerted Persons did not hold, directly or indirectly, as at the Date of the Tender Offer, namely (i) 59,730,373 Ordinary Shares representing approximately 77.51% of TITAN's ordinary share capital and voting rights, and (ii) 7,541,344 Preference Shares, representing approximately 99.64% of TITAN's preference share capital as at that date. Consequently, as at the Date of the Tender Offer, the Tender Offer Shares amounted to an aggregate of 67,271,717 TITAN Shares representing approximately 79.49% of the total paid up share capital of TITAN.

As at the Date of the Tender Offer:

(a) The Offeror did not hold directly any TITAN Shares or voting rights in TITAN, while it indirectly held the Founders' Voting Rights, corresponding to approximately 22.49% of the total voting rights in TITAN, by reason of the Founders being the founders and sole shareholders of the Offeror, and, pursuant to the Shareholders' Agreement, persons acting in concert with the Offeror (as defined in article 2, item (e) of the Law) in relation to the Tender Offer, as well as their participation in the Offeror.

(b) The Founders held 17,333,195 Ordinary Shares, corresponding to approximately 22.49% of TITAN's ordinary share capital and voting rights, and 27,616 Preference Shares, corresponding to approximately 0.36% of TITAN's preference share capital, that is 17,360,811 TITAN Shares in aggregate, corresponding to approximately 20.51% of TITAN's total paid-up share capital, while, with the exception of the Founders' Shares and the Founders' Voting Rights, neither the Offeror nor the Concerted Persons held any other TITAN Shares or voting rights in TITAN.

It is noted that the Founders have stated that they will tender their respective TITAN Shares to the Offeror for Consideration Shares, in accordance with the terms and conditions of the Tender Offer, like all other Shareholders, such that, at Closing, all Tendered Shares are held directly by the Offeror.

Neither the Offeror nor the Concerted Persons intend to purchase TITAN Shares in the market or over-the-counter until and including the end of the Acceptance Period.

- 2.4** The effectiveness of the Tender Offer is subject to the pre-requisite that, as at the end of the Acceptance Period, at least the Minimum Number of Shares will have been lawfully and validly tendered to the Offeror, namely at least (i) 57,797,676 Ordinary Shares, corresponding to 75% of TITAN's ordinary share capital and (ii) 5,676,720 Preference Shares, corresponding to 75% of TITAN's preference share capital, that is in aggregate 63,474,396 TITAN Shares corresponding to 75% of TITAN's total paid-up share capital.

In addition, the Tender Offer is subject to the Condition, that is the issuance of the Consideration Shares and confirmation thereof pursuant to a notarial deed, which constitutes the condition to which the Euronext Listing Approval is subject.

If (i) the above pre-requisite of Minimum Number of Shares is not fulfilled as at the end of the Acceptance Period and/or (ii) the Condition is not satisfied, the Tender Offer will ipso jure lapse, namely it will have no legal effect, and the TITAN Shares tendered will be returned to their holders.

- 2.5** In accordance with the first sentence of paragraph 1 of article 9 of the Law and the terms and conditions set out in this Information Circular, the Offeror offers (i) one Consideration Share for each Ordinary Share, and (ii) one Consideration Share for each Preference Share, in each case lawfully and validly tendered within the Acceptance Period. In particular, Shareholders who lawfully and validly accept the Tender Offer will be entitled to elect to receive, for each Tendered Share, (i) one Consideration Share held in book-entry form through Euroclear Belgium, or (ii) one Consideration Share held in book-entry form at the DSS through the HCSD. The Consideration Shares carry the right to dividends that may be distributed in respect of the Offeror's first financial year ending December 31, 2019 and future years, as well as the right to any capital returns, distributions from distributable reserves or other distributions made by the Offeror after the date of Closing.

The Offeror has obtained the Euronext Listing Approval subject to conditions. As at the Date of the Information Circular, the only outstanding condition relates to the issuance of the Consideration Shares and confirmation thereof pursuant to a notarial deed. If this condition is satisfied, Euronext Brussels will be the primary market for trading of the Offeror Shares, and transactions in Offeror Shares executed on Euronext Brussels or Euronext Paris will be cleared and settled through Euroclear Belgium. Subject to obtaining approval for the ATHEX Listing, transactions in Offeror Shares executed on the Athens Exchange will be cleared and settled through the ATHEXClear and the HCSD.

- 2.6** The Offeror will assume payment of the duties levied in favor of the HCSD on the registration of the off-exchange transfer of the Transferred Shares in accordance with article 7 of the Codified Decision 1 (session 223/28.1.2014) of the Board of Directors of the HCSD, as in force, which would otherwise be payable by the Accepting Shareholders. Such duties amount to 0.08% on the value of the Transferred Shares and are calculated in accordance with the abovementioned provision.

2 KEY ELEMENTS OF THE TENDER OFFER

As derives from the letter of the Independent Authority for Public Revenue dated 19 November 2018 the transfer of the Transferred Shares to the Offeror in consideration for Consideration Shares will not be subject to the tax provided for by article 9 paragraph 2 of Law 2579/1998 in favour of the Greek State, which amounts to 0.20% and is imposed on sales of shares listed on the Athens Exchange, since such transfer will not qualify as a sale under such law. As a result, Accepting Shareholders receiving Consideration Shares (irrespective of whether they are held through Euroclear Belgium or the HCSD) will not be required to pay such tax, while Shareholders who elect to receive the Cash Consideration in the context of the exercise of the Right of Squeeze-out or the Right to Sell-out will be required to pay such tax.

2.7 In accordance with article 20, paragraphs 1 and 2 of the Law, the Tender Offer may also be revoked by the Offeror:

- (a) following the approval of the HCMC, if there is an unforeseen change in the circumstances beyond the control of the Offeror which would render the effectiveness of the Tender Offer particularly onerous on the Offeror; and/or
- (b) if a Competing Offer has been made.

2.8 If, at the end of the Acceptance Period, the Relevant Threshold is reached with respect to a class and/or both classes of the TITAN Shares, and, consequently, at Closing, the Offeror will hold at least (i) 69,357,212 Ordinary Shares representing 90% of the ordinary share capital and voting rights and/or (ii) 6,812,064 Preference Shares representing 90% of TITAN's preference share capital:

- (a) the Offeror will exercise the Right of Squeeze out; and
- (b) the Shareholders who have not accepted the Tender Offer, will have the right to exercise the Right to Sell-out,

for each class of the TITAN Shares in respect of which the Relevant Threshold is reached, always subject to the fulfilment of the Condition.

It is noted that the Cash Consideration, which the Shareholders may elect to receive solely within the context of the Right of Squeeze-out or the Right to Sell-out, as the case may be, is equal to 19.64 Euro for each Ordinary Share and 18.98 Euro for each Preference Share. The Ordinary Share Cash Consideration and the Preference Share Cash Consideration Euro meet the criteria of the fair and reasonable consideration for each class of TITAN Shares, according to article 9 of the Law, since:

- (i) the ASMP of the Ordinary Share and the ASMP of the Preference Share amounts to 19.64 Euro and 18.98 Euro, respectively, according to the data of the Athens Exchange;
- (ii) neither the Offeror nor the Concerted Persons acquired Ordinary Shares or Preference Shares during the twelve months preceding the Date of the Tender Offer; and
- (iii) according to the Valuation Report, the Ordinary Share and the Preference Share were valued at 19.43 Euro and 17.52 Euro, respectively.

It is further noted that the Valuation was performed, as during the six months preceding the Date of the Tender Offer, the transactions made in Ordinary Shares and Preference Shares did not exceed 10% of the total Ordinary Shares and Preference Shares, respectively, and as a result the requirement laid down in article 9, paragraph 6, second sentence of item (b) of the Law was triggered, while the events contemplated in items (a) and (c) of this provision have not occurred.

According to the Valuator's and the Offeror's statement, the Valuator meets the criteria laid down in paragraph 7 of article 9 of the Law and more specifically it (i) is of recognised repute,

(ii) has the necessary organisation, staff and experience in valuations of businesses, and (iii) is independent of the Offeror and TITAN, and in particular it does not have and it did not have during the last five years any professional relationship or cooperation with the Offeror or the Concerted Persons, within the meaning of article 2 of the Law, and/or with TITAN and its related parties. Moreover, according to TITAN's statement, the Valuator is independent of TITAN and in particular it does not have and it did not have during the last five years any professional relationship or cooperation with TITAN and its related parties.

2.9 If, following completion of the Tender Offer or the exercise of the Right of Squeeze-out or the Right to Sell-out, as the case may be, the Offeror holds 100% of the ordinary and the preference share capital of TITAN, the Offeror intends to request the convocation of a General Meeting of the relevant class of Shareholders to resolve upon the submission of an application to the HCMC requesting the delisting of the relevant class of the TITAN Shares from the Athens Exchange, in accordance with article 17, paragraph 5 of Law 3371/2005, at which (General Meetings) the Offeror will exercise its voting rights in favour of such resolution.

Moreover, if, following completion of the Tender Offer or the exercise of the Right of Squeeze-out or the Right to Sell-out, as the case may be, the Offeror holds 100% of only the Preference Shares and not of the Ordinary Shares, the Offeror will seek the delisting of the Preference Shares from the Athens Exchange in accordance with the above sub-paragraph of this paragraph 2.9.

It is stressed that, as, under the existing legal framework, the potential delisting of the Ordinary Shares from the Athens Exchange triggers the delisting of also the Preference Shares, if, following completion of the Tender Offer or the exercise of the Right of Squeeze-out or the Right to Sell-out, as the case may be, the Offeror holds 100% of only the Ordinary Shares and not of the Preference Shares, the Offeror will not seek the delisting of either the Ordinary Shares or the Preference Shares. The Offeror will seek such delisting if it acquires in the future at least 95% of the Preference Shares.

2.10 As of Closing and until the TITAN Shares are delisted from the Athens Exchange, the Offeror Shares will trade in parallel with the TITAN Shares, unless the latter's trading is suspended or the Offeror holds all TITAN Shares. If the percentage of the TITAN Shares which will be eventually tendered ranges between 75% and below 90% of each class of such shares, the TITAN Shares of the relevant class will continue to trade on the Athens Exchange in parallel with the Offeror Shares which will trade primarily on Euronext Brussels and secondarily on the Athens Exchange and Euronext Paris, subject to the Condition and obtaining approval for the ATHEX Listing.

2.11 The Advisor, which does not "act in concert" (as defined in article 2(e) of the Law) with the Offeror, does not intend to act on behalf of the Offeror, for the latter's benefit or otherwise in cooperation with it, in relation to purchases of TITAN Shares from the date of the announcement of the Tender Offer until the end of the Acceptance Period. Nevertheless, the Advisor or any of its affiliates may purchase or sell TITAN Shares as a direct or indirect result of normal course of conduct of third party client facilitation activities, from the date of the announcement of the Tender Offer until the end of the Acceptance Period.

2.12 The Acceptance Period commences on 19.06.2019 and expires on 17.07.2019.

The Offeror expects that the Right of Squeeze-out process will be completed within four to eight weeks after Closing. 5 THE TENDER OFFER

5.1 INTRODUCTION

5.1.1 On 16 April 2019, the Founders entered into the Shareholders' Agreement, by virtue of which they have agreed to adopt, by concerted exercise of the voting rights they hold from time to time in the Offeror, including the voting rights that they will hold after Closing, a lasting common policy towards the management and operation of the Offeror. As a result of this agreement, the Founders are persons acting in concert among themselves and with the Offeror in relation to the Tender Offer as well as their participation in the Offeror.

Further to the above, the Offeror is addressing, pursuant to article 6 of the Law, this Tender Offer to all Shareholders in accordance with the terms of the Information Circular and the Law.

5.1.2 The Offeror offers to acquire all Tender Offer Shares together with all present, future and contingent rights or claims attaching to the Tender Offer Shares, free and clear of all defects (legal or real) and all (present, future or contingent) rights, claims and/or encumbrances of, or in favour of, third parties.

5.1.3 The Tender Offer is for any and all TITAN Shares, including the Treasury Shares, which the Offeror and/or the Concerted Persons did not hold, directly or indirectly, as at the Date of the Tender Offer.

As at the Date of the Tender Offer:

- (a) The Offeror did not hold directly any TITAN Shares or voting rights in TITAN, while is deemed to hold indirectly the Founders' Voting Rights, corresponding to approximately 22.49% of the total voting rights in TITAN, by reason of the Founders being the founders and sole shareholders of the Offeror, and, pursuant to the Shareholders' Agreement, persons acting in concert with the Offeror (as defined in article 2, item (e) of the Law) in relation to the Tender Offer as well as their participation in the Offeror.
- (b) The Founders held 17,333,195 Ordinary Shares, corresponding to approximately 22.49% of TITAN's ordinary share capital and voting rights, and 27,616 Preference Shares, corresponding to approximately 0.36% of TITAN's preference share capital, that is 17,360,811 TITAN Shares in aggregate, corresponding to approximately 20.51% of TITAN's total paid-up share capital, while, with the exception of the Founders' Shares and the Founders' Voting Rights, neither the Offeror nor the Concerted Persons held any other TITAN Shares or voting rights in TITAN.

As a result, the number of the Tender Offer Shares was (i) 59,730,373 Ordinary Shares, corresponding to approximately 77.51% of the ordinary share capital and voting rights of TITAN, and (ii) 7,541,344 Preference Shares, corresponding to approximately 99.64% of the preference share capital of TITAN, that is in aggregate 67,271,717 TITAN Shares representing approximately 79.49% of the total paid up share capital of TITAN.

It is noted that the Founders have stated that they will tender their respective TITAN Shares to the Offeror for Consideration Shares, in accordance with the terms and conditions of the Tender Offer, like all other Shareholders, such that, at Closing, all Tendered Shares are held directly by the Offeror.

5.1.4 In accordance with the first sentence of paragraph 1 of article 9 of the Law and the terms and conditions set out in this Information Circular, the Offeror offers the Consideration Shares at the Exchange Ratio, that is (i) one Consideration Share for each Ordinary Share, and (ii) one Consideration Share for each Preference Share, in each case lawfully and validly tendered within the Acceptance Period. In particular, Shareholders that lawfully and validly accept the Tender Offer will be entitled to elect to receive, for each

Tendered Share, (i) one Consideration Share held in book-entry form through Euroclear Belgium, or (ii) one Consideration Share held in book-entry form at the DSS through the HCSD.

5.1.5 The Offeror will assume payment of the duties levied in favor of the HCSD on the registration of the off-exchange transfer of the Transferred Shares in accordance with article 7 of the Codified Decision 1 (session 223/28.1.2014), as in force, of the Board of Directors of the HCSD, which would otherwise be payable by the Accepting Shareholders. Such duties amount to 0.08% on the value of the Transferred Shares and are calculated in accordance with the abovementioned provision.

As derives from the letter of the Independent Authority for Public Revenue dated 19 November 2018, the transfer of the Transferred Shares to the Offeror in consideration of Consideration Shares will not be subject to the tax provided for by article 9 paragraph 2 of Law 2579/1998 in favour of the Greek State, which amounts to 0.20% and is imposed on sales of shares listed on the Athens Exchange, since such transfer will not qualify as a sale under such law. As a result, Accepting Shareholders receiving Consideration Shares (irrespective of whether they are held through Euroclear Belgium or the HCSD) will not be required to pay such tax, while Shareholders who elect to receive the Cash Consideration in the context of the exercise of the Right of Squeeze-out or the Right to Sell-out will be required to pay such tax.

5.1.6 Moreover, if, at the end of the Acceptance Period, the Relevant Threshold is reached with respect to a class and/or both classes of the TITAN Shares and, consequently, at Closing, the Offeror will hold at least (i) Ordinary Shares representing 90% of TITAN's ordinary share capital and total voting rights and/or (ii) Preference Shares representing 90% of TITAN's preference share capital, the Offeror will have the right to initiate the Right of Squeeze-out, as set out in paragraph 5.7.1 hereof, and will have the obligation to accept the exercise of the Right to Sell-out, as set out in paragraph 5.7.2 hereof. The Right of Squeeze-out and the Right to Sell-out may be exercised for the class of TITAN Shares in respect of which the Relevant Threshold will have been reached or crossed.

5.2 PRE-REQUISITE AND CONDITION OF THE TENDER OFFER

5.2.1 The effectiveness of the Tender Offer is subject to the pre-requisite that, as at the end of the Acceptance Period, at least the Minimum Number of Shares will have been lawfully and validly tendered to the Offeror.

In addition, the Tender Offer is subject to the satisfaction of the Condition, that is the issuance of the Consideration Shares and confirmation thereof pursuant to a notarial deed, which constitutes the condition to which the Euronext Listing Approval is subject.

If (i) the above pre-requisite of Minimum Number of Shares is not fulfilled as at the end of the Acceptance Period and/or (ii) the Condition is not satisfied, the Tender Offer will ipso jure lapse, namely it will have no legal effect, and the TITAN Shares tendered will be returned to their holders.

5.3 COMMENCEMENT - PROCEDURE OF THE TENDER OFFER

5.3.1 On the Date of the Tender Offer, the Offeror initiated the Tender Offer procedure by informing (i) the HCMC, and (ii) the Board of Directors of TITAN in writing of the Tender Offer, and submitting at the same time a draft of the Information Circular, as set forth in article 10, paragraph 1 of the

5 THE TENDER OFFER

Law. In addition, on the Date of the Tender Offer, the Offeror also submitted the Valuation Report to the HCMC. The Tender Offer was announced and the Valuation Report was published in the manner and by the means provided for in article 16, paragraphs 1 and 2 of the Law.

5.3.2 For the purposes of this Tender Offer, the Offeror has appointed (i) HSBC France to act as its adviser within the meaning of article 12, paragraph 1 of the Law, and (ii) ALPHA BANK S.A., as credit institution authorized to receive the Declarations of Acceptance and to act as tender agent for the Tender Offer within the meaning of article 18, paragraph 1 of the Law.

5.3.3 On 13 May 2019, the Euronext Listing Board approved the Euronext Listing subject to conditions and in particular the issuance of the Consideration Shares.

5.3.4 On 14 May and 12 June 2019, the FSMA approved the Prospectus and the Supplement, respectively. At the request of the Offeror, the FSMA provided to the HCMC and the European Securities and Markets Authority the certificate of approval of the Prospectus and the Supplement in accordance with articles 17 and 18 of Law 3401/2005 and the relevant provisions of the Prospectus Directive, along with their Greek translation. The Prospectus and the Supplement, which are drafted in English, together with their Greek translation are published on the website of the Athens Exchange (www.helex.gr/el/web/guest/companies-new-listings) and the website of TITAN (www.titan.gr) contemporaneously with the publication of this Information Circular. The Greek translation of the Prospectus and the Supplement has been prepared under the responsibility of the Offeror. However, the Prospectus and the Supplement in the English language prevail over their Greek translation in case of discrepancy.

5.3.5 On 18 June 2019, the HCMC approved this Information Circular, printed copies of which will be available, free of charge, through all branches of the Tender Agent, in Greece and in electronic form on the websites of the Advisor (www.business.hsbc.gr), the HCMC (www.hcmc.gr/el_GR/web/portal/delta12minou), the Athens Exchange (www.helex.gr/el/web/guest/company-prospectus) and the Tender Agent (www.alpha.gr/el/idiotes/ependuseis/xrimatistiriakes-upiresies/enimerotika-deltia) during the Acceptance Period.

The duration of the Offeror is unlimited. Since its incorporation, the Offeror's activities in Belgium were mainly focused on the preparation for the Euronext Listing and the Tender Offer with the assistance of its professional advisors.

Since 15 October 2018, the Offeror's management function has been exercised from Cyprus, while its corporate seat remains in Brussels. Once the Offeror has become the ultimate parent company of the TITAN Group, the Cyprus office will have a total headcount of around 15 to 25 people and will be responsible for managing all direct and indirect subsidiaries of the Offeror. The team in the Cyprus offices of the Offeror will include executive members of the Offeror's Board of Directors and senior members of management who will have ultimate responsibility on business operations and business development of the TITAN Group.

Moreover, the Brussels office will have a total headcount of up to two people, whose duties will be mainly of supportive and secretarial nature, stemming from the fact that the Offeror will be listed on

Euronext Brussels, subject to the satisfaction of the Condition and the pre-requisite of the Minimum Number of Shares.

As of the above date, the Board of Directors meetings and shareholders' meetings of the Offeror are held in Cyprus.

In view of the transfer of its seat of management from Belgium to Cyprus, the Offeror had submitted a question before the Belgian Department of Preliminary Decisions (Service des Décisions Anticipées/Dienst Voorafgaande Beslissingen), which is responsible for resolving tax matters (tax ruling), in connection to the tax treatment of the Offeror, due to such transfer. In response to the aforementioned question, the Belgian Department of Preliminary Decisions granted an advance ruling confirming, among other matters, that the Offeror will be considered as a foreign resident company for the purpose of Belgian income tax and as a Cypriot tax resident for the purpose of the double taxation avoidance treaty concluded between Belgium and Cyprus.

Similarly, the Cyprus Tax Department (Ministry of Finance, Republic of Cyprus) had also issued a ruling relating to the transfer of the tax residency of the Company from Belgium to Cyprus. Such ruling has confirmed that from the date of such transfer onwards (i) the Company will be considered as a Cyprus tax resident company in accordance with Cyprus income tax law; (ii) the Company will be subject to Cyprus tax on its worldwide income in accordance with Cyprus income tax law; and (iii) the Company and its Cyprus tax resident direct and indirect subsidiaries will be exempt from the deemed dividend distribution provisions of Article 3 of the Special Contribution for Defence Law in Cyprus.

As a result of this agreement, the Founders are acting in concert in relation to the Tender Offer and their participation in the Offeror, and after Closing, they will continue to act in concert among themselves in relation to the Offeror.

Furthermore, the Offeror has been informed that the Board of Directors of E.D.Y.V.E.M., which holds approximately 14.91% of the TITAN Shares and approximately 10.79% of the voting rights in TITAN, has made the following decisions:

- (a) that E.D.Y.V.E.M. accepts the Tender Offer, provided that the Board of Directors of TITAN publicly expresses its positive view on the offer;
- (b) provided the view of the Board of Directors of TITAN its positive, that E.D.Y.V.E.M. tenders its TITAN Shares to the Offeror in consideration for Consideration Shares, in accordance with the terms and conditions of the Tender Offer; and

relating to the Minimum Number of Shares has been satisfied and before the admission to trading of the Offeror Shares.

If it accedes to the Shareholders' Agreement, E.D.Y.V.E.M. will be acting in concert, within the meaning of Belgian law, with the Founders in relation to their participation in the Offeror. Therefore, subject to the satisfaction of the Condition and the prerequisite relating to the Minimum Number of Shares and depending on the level of acceptance of the Tender Offer, as of the Closing date, the Founders and E.D.Y.V.E.M. will hold between 35.43% of the Offeror Shares, if all (100%) TITAN Shares are tendered, and 47.23% of the Offeror Shares, if the Minimum Number of Shares is tendered, and be able to exercise a significant influence over the Offeror as of the Closing date.

5.6 PURPOSE OF THE TENDER OFFER - PLANS AND BUSINESS STRATEGY FOR TITAN GROUP AND THE OFFEROR FOLLOWING THE TENDER OFFER

5.6.1 The purpose of the Tender Offer is to facilitate the indirect admission of TITAN (and through it of the TITAN Group) to listing on Euronext Brussels, by means of the primary listing and admission to trading of the Offeror Shares on the securities market of Euronext Brussels. Pursuant to the Tender Offer, the Offeror seeks to become the direct parent company of TITAN and the ultimate parent company of TITAN Group with a shareholding structure where all TITAN shareholders will become shareholders of the Offeror.

The principal objectives of the Tender Offer are to:

- enhance the international nature of TITAN Group's business activities;
- link TITAN Group with a large international stock exchange, which will offer a broader and deeper investor base, thus enhancing liquidity of its traded shares; and
- broaden TITAN Group's funding sources, improving its access to both the international debt capital markets and international banking institutions, to achieve more competitive financing costs.

The Offeror believes that TITAN Group, which operates in an international environment of intensifying competition, increasing uncertainties and multiple challenges, in a capital-intensive sector where access to capital is crucial to future growth, needs to take actions that would facilitate its access to funding under terms similar to those offered to its competitors. The Tender Offer aims to facilitate the continuation of the TITAN Group's international reach, by strengthening its international profile and enabling it to fund its growth strategy under more competitive terms.

The Offeror's corporate seat is in Belgium, a country at the centre of the European Union, while its management function is based in Cyprus, a country where TITAN Group has a long-standing presence and experience.

The Tender Offer does not signify any change in the strategic direction of TITAN Group; to the contrary, it is expected to be one more milestone in the dynamic growth path of TITAN Group, fully reflecting its international footprint and outlook.

The successful completion of the Tender Offer will not cause any change to the range of operations, business activities, strategy and priorities of TITAN Group, as well as to the employment terms of its employees and managerial staff. The current executive members of the Board of Directors and the senior management will continue to lead its business operations and its long-term strategy.

TITAN's presence in Greece will remain unchanged, as its local production, investments in its activities and human capital, its continued contribution to local economy and society will be maintained, as well as through the proposed secondary listing of the Offeror Shares on the Athens Exchange.

It is noted that if the percentage of the TITAN Shares which will be eventually tendered ranges between 75% and below 90% of each class of such shares, the Offeror has not decided nor does it intend to seek its cross-border merger with TITAN, while the TITAN Shares of the relevant class will continue to trade on the Athens Exchange in parallel with the Offeror Shares, which will trade primarily on Euronext Brussels and secondarily on the Athens Exchange and Euronext Paris, subject to the Condition and obtaining approval for the ATHEX Listing.

5.6.2 After and subject to Closing occurring, the composition of the Offeror's Board of Directors and the structure of its corporate governance will be as described in paragraphs 5.4.6 and 5.4.7 of the Information Circular.

5.7 RIGHT OF SQUEEZE-OUT – RIGHT TO SELL-OUT

5.7.1 If, at the end of the Acceptance Period, the Relevant Threshold is reached with respect to a class and/or both classes of the TITAN Shares and, consequently, at Closing, the Offeror will hold at least (i) Ordinary Shares representing 90% of TITAN's ordinary share capital and total voting rights, and/or (ii) Preference Shares representing 90% of TITAN's preference share capital, the Offeror will have the right to initiate the Right of Squeeze-out process in respect of each class of the TITAN Shares in respect of which the Relevant Threshold will have been reached. In that case, the Offeror will exercise the Right of Squeeze-out as soon as practicable after the announcement of the results of the Tender Offer, in accordance with article 27 of the Law.

In connection with the Right of Squeeze-out, it is noted that a Shareholder shall have the option to acquire:

- (a) Consideration Shares held in book-entry form through Euroclear Belgium or at the DSS through the HCSD;
- (b) or (i) the Ordinary Share Cash Consideration in respect of the Ordinary Shares, or (ii) the Preference Share Cash Consideration in respect of the Preference Shares.

5.7.2 In addition, if, at the end of the Acceptance Period, the Relevant Threshold is reached with respect to a class and/or both classes of the TITAN Shares and, consequently, at Closing the Offeror will hold (i) Ordinary Shares representing at least 90% of the ordinary share capital and total voting rights of TITAN, and/or (ii) Preference Shares representing at least 90% of TITAN's preference share capital, the holders of each class of the TITAN Shares in respect of which the Relevant Threshold will have been reached, who have not accepted the Tender Offer will have the right within a period of three (3) months from the publication of the results of the Tender Offer to exercise the Right to Sell-out in respect of such class of the TITAN Shares they hold, in consideration for, at their election:

- (a) Consideration Shares held in book-entry form through Euroclear Belgium or at the DSS through the HCSD;

5 THE TENDER OFFER

(b) or (i) the Ordinary Share Cash Consideration in respect of the Ordinary Shares, or (ii) the Preference Share Cash Consideration in respect of the Preference Shares.

In the case under (b) above, the Offeror will have the obligation to acquire through transactions on the Athens Exchange all TITAN Shares of each class in respect of which the Relevant Threshold will have been reached, which will be offered to it within such period of three (3) months, against payment of (i) the Ordinary Share Cash Consideration in respect of the Ordinary Shares, or (ii) the Preference Share Cash Consideration in respect of the Preference Shares, in each case in accordance with article 28 of the Law and the decision 1/409/2006 of the HCMC.

5.7.3 It is noted that the Cash Consideration is equal to 19.64 Euro for each Ordinary Share and 18.98 Euro for each Preference Share. The Ordinary Share Cash Consideration and the Preference Share Cash Consideration Euro meet the criteria of the fair and reasonable consideration for each class of TITAN Shares, according to article 9 of the Law, since:

- (i) the ASMP of the Ordinary Share and the ASMP of the Preference Share amounts to 19.64 Euro and 18.98 Euro, respectively, according to the data of the Athens Exchange;
- (ii) neither the Offeror nor the Concerted Persons acquired Ordinary Shares or Preference Shares during the twelve months preceding the Date of the Tender Offer; and
- (iii) according to the Valuation Report, the Ordinary Share and the Preference Share were valued at 19.43 Euro and 17.52 Euro, respectively.

It is further noted that the Valuation was performed, as during the six months preceding the Date of the Tender Offer, the transactions made in Ordinary Shares and Preference Shares did not exceed 10% of the total Ordinary Shares and Preference Shares, respectively, and as a result the requirement laid down in article 9, paragraph 6, second sentence of item (b) of the Law was triggered, while the events contemplated in items (a) and (c) of this provision have not occurred.

According to the Valuator's and the Offeror's statement, the Valuator meets the criteria laid down in paragraph 7 of article 9 of the Law and more specifically it (i) is of recognised repute, (ii) has the necessary organisation, staff and experience in valuations of businesses, and (iii) is independent of the Offeror and TITAN, and in particular it does not have and it did not have during the last five years any professional relationship or cooperation with the Offeror or the Concerted Persons, within the meaning of article 2 of the Law, and/or with TITAN and its related parties. Moreover, according to TITAN's statement, the Valuator is independent of TITAN and in particular it does not have and it did not have during the last five years any professional relationship or cooperation with TITAN and its related parties.

5.7.4 If, within the context of the Right of Squeeze-out or the Right to Sell-out, a Shareholder did not make any election or elected to receive Consideration Shares through Euroclear Belgium but failed to provide the information or documents required to be able to do so, or if such information or documents are erroneous or incomplete, such Shareholder will receive Consideration Shares held in book-entry form at the DSS through the CLF Operator Account, in accordance with article 13a of the DSS Regulation.

5.7.5 If the Relevant Threshold is reached or exceeded with respect to a class and/or both classes of the TITAN Shares at the end of the Acceptance Period, the Offeror expects that the Right of Squeeze-out process will be completed within four to eight weeks after Closing. The Offeror intends to apply for the commencement of unconditional trading on each of Euronext Brussels, Athens Exchange and Euronext Paris of any Offeror Shares which may be issued as consideration pursuant to the Right of Squeeze-out as soon as practicable following completion of the Right of Squeeze-out process.

If the Relevant Threshold is reached or exceeded with respect to a class and/or both classes of the TITAN Shares at the end of the Acceptance Period, the Right to Sell-out will automatically terminate upon completion of the Right of Squeeze-Out. As a result, the Offeror expects that completion of the Right to Sell-out process will, in practice, be preempted by the completion of the Right of Squeeze-out process. If completion of the Right to Sell-out process is not preempted by completion of the Right of Squeeze-out process, the Offeror intends to apply for the commencement of unconditional trading on each of Euronext Brussels, Athens Exchange and Euronext Paris of any Offeror Shares which may be issued as consideration pursuant to the Right to Sell-out as soon as practicable following completion of the Right to Sell-out process.

5.7.6 It is noted that, as the Tender Offer is also subject to the satisfaction of the Condition described in paragraph 5.2 of the Information Circular, both the Right of Squeeze-out and the Right to Sell-out may be exercised only if the Relevant Threshold is reached or exceeded and the Condition is satisfied.

5.8 DELISTING FROM THE ATHENS EXCHANGE

5.8.1 If, following completion of the Tender Offer or after the exercise of the Right of Squeeze-out or the Right to Sell-out, as the case may be, the Offeror holds 100% of TITAN's ordinary and preference share capital, the Offeror intends to request the convocation of a General Meeting of the relevant class of Shareholders to resolve upon the submission of an application to the HCMC requesting the delisting of the relevant class of the TITAN Shares from the Athens Exchange, in accordance with article 17, paragraph 5 of Law 3371/2005, at which (General Meetings) the Offeror will exercise its voting rights in favour of such resolution.

5.8.2 If, following completion of the Tender Offer or the exercise of the Right of Squeeze-out or the Right to Sell-out, as the case may be, the Offeror holds 100% of only the Preference Shares and not of the Ordinary Shares, the Offeror will seek the delisting of the Preference Shares from the Athens Exchange in accordance with the above paragraph 5.8.2.

It is stressed that, as, under the existing legal framework, the potential delisting of the Ordinary Shares from the Athens Exchange triggers the delisting of also the Preference Shares, if, following completion of the Tender Offer or the exercise of the Right of Squeeze-out or the Right to Sell-out, as the case may be, the Offeror holds 100% of only the Ordinary Shares and not of the Preference Shares, the Offeror will not seek the delisting of either the Ordinary Shares or the Preference Shares. The Offeror will seek such delisting if it acquires in the future at least 95% of the Preference Shares. In these cases though, the structure of the Tender Offer might effectively have a certain result, where the possibility of not ensuring the orderly operation of the market would be increased.

5.9 OFFEROR'S ADVISOR

5.9.1 In accordance with article 12 of the Law, HSBC France, a credit institution and investment firm licensed by the Autorité de Contrôle Prudentiel et de Résolution (ACPR), regulated by the AMF and the ACPR, supervised by the European Central Bank and authorized under the E.U. 5 THE TENDER OFFER

5.9.2 The Advisor has countersigned this Information Circular, which has been prepared by the Offeror, and certifies, following appropriate due diligence that the content of this Information Circular is accurate.

(the "Offeror") to the shareholders of Titan Cement Company S.A. ("TITAN") in consideration of new shares in the Offeror (the "Consideration Shares"), HSBC France, a licenced credit institution and investment firm established in France, hereby certifies that the Offeror, has:

However, HSBC France does not provide any guarantee (within the meaning of article 847 of the Greek Civil Code) for the performance of the delivery, payment and other obligations undertaken by the Offeror under the Tender Offer.»

5.11 TENDER AGENT

5.11.1 In accordance with article 18, paragraph 1 of the Law, the Offeror appointed and authorized ALPHA BANK S.A. to receive, as tender agent, the Declaration of Acceptance and its accompanying documents. The Tender Agent is competent to receive all the above documents and to proceed with all actions to be made by it, as described in Chapter 6 and especially in paragraph 6.5 hereof, for the purpose of effecting the transfer of the Tendered Shares to the Offeror and the delivery of the Consideration Shares to the Accepting Shareholders, in accordance with the terms of the Information Circular, the special authorizations and mandates granted to it by each Accepting Shareholder and included in the Declaration of Acceptance.

It is stressed that, with the exception of the entering into the Contribution Agreement and the signing of the Subscription Form, the Tender Agent is not involved in the process for the issuance of the Consideration Shares nor will it bear any relevant liability, while the due delivery of the Consideration Shares to the Accepting Shareholders depends, inter alia, on the due issuance and delivery to the Tender Agent of the Consideration Shares by the Offeror, and the due performance of the services for which third parties are responsible towards the Offeror, such as the Euronext Brussels, Euroclear Belgium, the Settlement Agent or the HCSD. It is noted that, towards the Accepting Shareholders,

the Tender Agent is liable only for the due performance of the special authorizations and mandates granted to it by the Declaration of Acceptance and on the basis of the information included therein.

In addition, the Tender Agent has not undertaken, nor will it provide in the future, investment or consultancy services in the context of the Tender Offer to any person, including mainly the Accepting Shareholders, and does not undertake nor can it be deemed to be liable in accordance with article 729 of the Greek Civil Code nor is it liable for the actions and omissions of third parties, including for acts or omissions of the Accepting Shareholders, the Offeror, Euronext Brussels, Euroclear Belgium, the Settlement Agent or the HCSD. No Accepting Shareholder may be considered as a client of the Tender Agent due to his/her acceptance of the Tender Offer and/or the actions that the Tender Agent has undertaken to perform in the context of the Tender Offer.

5.11.2 Shareholders may receive additional information in relation to the procedure for the submission of the Declarations of Acceptance, as well as copies of this Information Circular from all branches of the Tender Agent in Greece, as well as through the Tender Agent during Greek business days and hours by calling in Greece the following number: 210 326551.

5.12 PERSONS RESPONSIBLE FOR DRAFTING THE INFORMATION CIRCULAR

5.12.1 According to article 11, paragraph. 1, point (e) of the Law, Messrs Nikolaos Birakis and Komninos Alexios Komninos, members of the Board of Directors of the Offeror, are responsible for drafting this Information Circular on behalf of the Offeror.

5.12.2 The above persons, in their capacity as persons responsible for drafting this Information Circular, certify that this Information Circular is complete and accurate and all information contained herein is true without any omissions which could change its content and alter the substance of the Tender Offer.

5.13 THE TENDER OFFER SHARES

5.13.1 The Tender Offer relates to the acquisition of all Tender Offer Shares, of which the number as at the Date of the Tender Offer was (i) 59,730,373 Ordinary Shares representing approximately 77.51% of TITAN's ordinary share capital and (ii) 7,541,344 Preference Shares, representing approximately 99.64% of TITAN's preference share capital as at that date.

5.13.2 The Offeror intends to acquire the Tender Offer Shares together with all present and future rights deriving therefrom, to the extent that the Tender Offer Shares are free and clear from any encumbrance in rem or contractual encumbrance or any third party right, restriction, claim, usufruct, or other right or lien.

5.13.3 Neither the Offeror nor the Concerted Persons intend to purchase TITAN Shares in the market or over-the-counter until and including the end of the Acceptance Period.

5.14 THE CONSIDERATION SHARES

5.14.1 The consideration which the Offeror offers for all Tender Offer Shares validly tendered and transferred within the Acceptance Period is the Consideration Shares at the Exchange Ratio. In particular, Shareholders who lawfully and validly accept the Tender Offer will have the option to elect to receive, for

5 THE TENDER OFFER

each Tendered Share, (i) one Consideration Share held in book-entry form through Euroclear Belgium, or (ii) one Consideration Share held in book-entry form at the DSS through the HCSD.

5.14.2 In addition, the Offeror will assume payment of the duties levied in favor of the HCSD on the registration of the off-exchange transfer of the Transferred Shares in accordance with article 7 of the Codified Decision 1 (session 223/28.1.2014), as in force, of the Board of Directors of the HCSD, which would otherwise be payable by the Accepting Shareholders. Such duties amount to 0.08% on the value of the Transferred Shares and are calculated in accordance with the abovementioned provision.

As derives from the letter of the Independent Authority for Public Revenue dated 19 November 2018, the transfer of the Transferred Shares to the Offeror will not be subject to the tax provided for by article 9 paragraph 2 of Law 2579/1998 in favour of the Greek State, which amounts to 0.20% and is imposed on sales of shares listed on the Athens Exchange, since such transfer will not qualify as a sale under such law. As a result, Shareholders receiving Consideration Shares (irrespective of whether they are held through Euroclear Belgium or the HCSD) will not be required to pay such tax, while Shareholders who elect to receive the Cash Consideration in the context of the exercise of the Right of Squeeze-out or the Right to Sell-out will be required to pay such tax.

5.14.3 The Consideration Shares will be new, dematerialised, ordinary shares in the Offeror, which will be created pursuant to the increase of the share capital of the Offeror by contribution in kind of up to 84,632,528 TITAN Shares and the issuance of an equal number of Consideration Shares, subject to the number of TITAN Shares that will be finally tendered in the context of, as applicable, the Tender Offer, the Right of Squeeze-out and the Right to Sell-out. Such share capital increase was approved pursuant to the resolution of the extraordinary General Meeting of the Offeror's shareholders dated 13 May 2019.

At the same session, the extraordinary General Meeting of the Offeror's shareholders approved the following corporate actions, subject to completion of the Offeror's share capital increase by means of a contribution in kind of TITAN Shares:

- (a) To reduce the Offeror's share capital by an amount of €150 million, with effect immediately upon Closing, which will result in a repayment of capital contributions to the shareholders of the Offeror in several tranches and at a time to be decided by the Board of Directors. Such capital reduction will occur without cancellation of Offeror Shares.
- (b) To further reduce the Offeror's share capital by an amount of €50 million to create a distributable reserve.
- (c) To further reduce the Offeror's share capital to create distributable reserves in the amount of (i) the issuance price of the Consideration Shares issued in exchange for the Treasury Shares tendered, being the weighted average stock price of the TITAN Shares on the Athens Exchange during the three months preceding the date of the actual contribution, multiplied by (ii) the number of Consideration Shares issued as a result of the Treasury Shares tendered. In addition, it was resolved to convert such distributable reserves to non-distributable reserves for as long as these Consideration Shares will be held by TITAN.

The Consideration Shares carry the right to dividends that may be distributed in respect of the Offeror's first financial year ending 31 December 2019 and future years, as well as the right to any capital returns, distributions from distributable reserves or other distributions made by the Offeror after the date of Closing. Detailed information in relation to, among other matters, the Consideration Shares and the rights of the holders of Consideration Shares is included in the Prospectus.

5.14.4 The Offeror has obtained the Euronext Listing Approval subject to conditions. As at the Date of the Information Circular, the only outstanding condition relates to the issuance of the Consideration Shares and confirmation thereof pursuant to a notarial deed. If this condition is satisfied, Euronext Brussels will be the primary market for trading of the Offeror Shares, and transactions in Offeror Shares executed on Euronext Brussels or Euronext Paris will be cleared and settled through Euroclear Belgium.

In addition, the Offeror has applied to HELEX to obtain approval for the ATHEX Listing. Subject to obtaining such approval, transactions in Offeror Shares executed on the Athens Exchange will be cleared and settled through the ATHEXClear and the HCSD.

If the percentage of the TITAN Shares which will be eventually tendered ranges between 75% and below 90% of each class of such shares, the TITAN Shares of the relevant class will continue to trade on the Athens Exchange in parallel with the Offeror Shares which will trade primarily on Euronext Brussels and secondarily on the Athens Exchange and Euronext Paris, subject to the Condition and obtaining approval for the ATHEX Listing.

5.14.5 Set out below is a summary description of the Offeror Shares held in book-entry form and held through Euroclear Belgium and the DSS.

1. Offeror Shares held in book-entry form through Euroclear Belgium

Offeror Shares may be held in book-entry form through any custodian, domestic or foreign, which is a participant of Euroclear Belgium, in respect of TITAN Shares accepted for exchange in the Tender Offer.

2. Offeror Shares held in book-entry form at the DAA through the HCSD

As with the TITAN Shares, Offeror Shares may be held in book-entry form through their registration with a Securities Account of the Investor Share monitored by the investor's Operator. Such Offeror Shares will be eligible for trading through the Automated Exchange Trading System (OASIS) of the Athens Exchange, an electronic trading system, and the relevant transactions on the exchange will be effected, cleared and settled in accordance with the ATHEX Regulation, the Clearing Regulation and the DSS Regulation, respectively.

5.15 TITAN SHARES HELD BY THE OFFEROR OR CONCERTED PERSONS

As at the Date of the Tender Offer, the Offeror did not hold directly any TITAN Shares or voting rights in TITAN, but it was deemed to hold indirectly the Founders' Voting Rights, by reason of the Founders being Concerted Persons, while, with the exception of the Founders' Shares and the Founders' Voting Rights, neither the Offeror nor the Concerted Persons held any other TITAN Shares or voting rights in TITAN as at that date.

5.16 INFORMATION ABOUT RECENT TRANSACTIONS IN TITAN SHARES BY THE OFFEROR AND CONCERTED PERSONS

5.16.1 During the twelve months preceding the Date of the Tender Offer, the Offeror has not transacted in TITAN Shares.

Set out below is a table showing the transactions in TITAN Shares entered into by Concerted Persons during the above period:

5.16.2 The Advisor, which does not “act in concert” (as defined in Article 2(e) of the Law) with the Offeror, does not intend to act on behalf of the Offeror, for the latter’s benefit or otherwise in cooperation with it, in relation to purchases of TITAN Shares from the date of the announcement of the Tender Offer until the end of the Acceptance Period. Nevertheless, companies affiliated to the Advisor may purchase or sell TITAN Shares as a direct or indirect result of normal course of conduct third party client facilitation activities, from the date of the announcement of the Tender Offer until the end of the Acceptance Period.

5.17 FINANCING OF THE TENDER OFFER

5.17.1 The Offeror will finance the consideration payable in cash by it as a result of exercising the Right of Squeeze-out or the Right to Sell-out, together with certain costs and expenses of the Tender Offer and of the Right of Squeeze-out or the Right to Sell-out, pursuant to a facility agreement entered into on 13 May 2019 with HSBC France. Funds under such facility will be made available to the Offeror subject to customary terms and conditions, which also include satisfaction of the Condition and the pre-requisite regarding the Minimum Number of Shares. The lender’s claims under such facility will be secured pursuant to a pledge over Ordinary Shares representing 51% of the total ordinary share capital of TITAN granted by the Offeror in favour of HSBC France, and such pledge is not extended to the voting rights corresponding to such shares, as long as no event of default has occurred and is continuing.

5.18 BINDING EFFECT OF THE TENDER OFFER - MINIMUM NUMBER OF SHARES

5.18.1 Subject to the Condition, the Tender Offer is binding on the Offeror and each Declaration of Acceptance which will be validly submitted is binding on the Accepting Shareholder who submitted it and it cannot be revoked, unless to exercise a Right of Revocation, in which case the provisions of paragraph 6.3 of the Information Circular will apply.

5.18.2 However, the effectiveness of the Tender Offer is subject to the Offeror having, by the last day of the Acceptance Period, received Declarations of Acceptances in respect of TITAN Shares equal to the Minimum Number of Shares, as specified in paragraph 5.2.1 hereof.

5.18.3 In accordance with article 20, paragraphs 1 and 2 of the Law, the Offeror may also revoke the Tender Offer:

- (a) following the approval of the HCMC, if there is an unforeseen change in the circumstances beyond the control of the Offeror which would render the effectiveness of the Tender Offer particularly onerous on the Offeror; and /or
- (b) if a Competing Offer has been made.

6 ACCEPTANCE PROCEDURE OF THE TENDER OFFER

In addition to the information relating to the acceptance of the Tender Offer given in this Chapter 6, Accepting Shareholders may also obtain relevant information through the Tender Agent during Greek business days and hours by calling the following number: 210 3265511.

6.1 THE ACCEPTANCE PERIOD

The Acceptance Period will last four weeks commencing on 19 June 2019 at 8.00 am (Greek time) and ending on 17 July 2019 at 2.00 pm (Greek time).

6.2 DECLARATIONS OF ACCEPTANCE – ACCEPTANCE PROCEDURE

6.2.1 The Accepting Shareholders should fill-in and submit a Declaration of Acceptance to any branch of the Tender Agent in Greece by the end of the Acceptance Period. Forms of Declarations of Acceptance may be obtained from any branch of the Tender Agent in Greece throughout the Acceptance Period at normal business days and hours. More specifically, the acceptance procedure is as follows:

- (a) The Accepting Shareholder must first contact the Initial Operator of the Tendered Shares and instruct it to transfer the class of TITAN Shares the Accepting Shareholder wishes to tender in order to accept the Tender Offer by using the Security Release Procedure. The Initial Operator will deliver to the Accepting Shareholder the Removal Certificate indicating the Security Release Procedure transaction number, the date of the transaction, the number and class of TITAN Shares that have been released. The Accepting Shareholder will also receive from the Initial Operator a DSS printout showing the Investor Share and Securities Account that the Accepting Shareholder maintains with the DSS.
- (b) Following the above, the Accepting Shareholder may visit any branch of the Tender Agent in Greece during normal business days and hours, having with him/her his/her identity card or passport, or, if applicable, the corporate documents authorizing him/her as a representative, the Removal Certificate and the DSS printout with the details of their Investor Share and Securities Account data at the DSS. At such branch the Accepting Shareholder will fill-in and sign the Declaration of Acceptance, through which he/she will be selecting to receive Consideration Shares either through Euroclear Belgium or at the DSS through the HCSD and he/she will be authorizing the Tender Agent to, inter alia, (i) undertake the operation of the Tendered Shares, (ii) enter into the Off-exchange Transfer Agreement and the Contribution Agreement, (iii) sign the Subscription Form, (iv) receive the Consideration Shares for the account of the Accepting Shareholders or to intermediate for the receipt and delivery of such shares through the Settlement Agent and proceed with the transactions, acts and actions for the purpose of issuing, receiving and delivering the Consideration Shares to the Accepting Shareholders. Subsequently the Securities Receipt process will be effected for the number of Tendered Shares for which the Accepting Shareholder has effected the Security Release Procedure through the Initial Operator, by filling-in and signing a relevant form. Finally, the Accepting Shareholder will receive from the said branch a copy of the Declaration of Acceptance, mechanically certified.

6.2.2 As of the due, valid, punctual and lawful completion of the process set forth above, the Accepting Shareholder shall be deemed to have accepted the Tender Offer. A Shareholder may be considered as not having validly accepted the Tender Offer to the extent that the Declaration

of Acceptance has not been fully completed in accordance with the terms and conditions set out therein and in the Information Circular.

It is stressed that an Accepting Shareholder who elects to receive Consideration Shares through Euroclear Belgium, or the Financial Intermediary with whom such shareholder cooperates, will have to inform, prior to the end of Acceptance Period, the Euroclear Belgium participant with whom such shareholder has a direct or indirect relationship, of the receipt of the Consideration Shares through Euroclear Belgium at the time settlement of the Tender Offer is completed. If it is not so informed, the said participant may reject the receipt of such shares, or the delivery thereof to such participant on behalf of the relevant Accepting Shareholder might not be possible. In these circumstances, the relevant Accepting Shareholder will receive Consideration Shares held in book-entry form at the DSS through the HCSD by means of registration with the Securities Account with which the Tendered Shares tendered were registered.

Furthermore, if a Shareholder elected to receive Consideration Shares through Euroclear Belgium but failed to provide the information or documents required in the Declaration of Acceptance to be able to do so, or if such information or documents are erroneous or incomplete, such Shareholder will receive Consideration Shares held in book-entry form at the DSS through the HCSD which will be delivered by means of registration with the Securities Account with which the Tendered Shares tendered were registered. The above shall also apply either (a) in the absence of an election made in the Declaration of Acceptance, or (b) in the case of holders of KEM at the DSS or of joint holders of TITAN Shares who elected to receive Consideration Shares through Euroclear Belgium and have not timely procured that they will be able to receive them, that is by timely informing the Euroclear Belgium participant, as set out in the preceding paragraph, or if they do not provide the information or documents required in the Declaration of Acceptance, as discussed above.

6.2.3 An Accepting Shareholder may fill-in, sign, submit or dispatch a Declaration of Acceptance either in person or through a proxy. If any of the foregoing actions is made through a proxy, the relevant power of attorney given to the proxy holder must include specific authorisations and full details of the Accepting Shareholder and the proxy holder and be accompanied by a certification of the authenticity of the signature of the Accepting Shareholder by a police station or by another competent administrative authority (e.g. Citizen Service Centres).

6.2.4 Alternatively, Accepting Shareholders may authorise at their own initiative their Operator to fill-in, sign, submit or dispatch the Declaration of Acceptance and in general to proceed with all requested actions with a view to accepting of the Tender Offer on their behalf.

6.2.5 In the event that the Tendered Shares are maintained at the Special Account, the Accepting Shareholder (instead of the aforementioned application towards the Initial Operator) should submit to HCSD a request to move the Tendered Shares and place them under the operation of an Operator and subsequently the process set out in paragraph 6.2.1 above should be observed.

6.3 IRREVOCABILITY OF THE DECLARATION OF ACCEPTANCE

6.3.1 The Declaration of Acceptance includes an irrevocable mandate and authorization by the Accepting Shareholders to the Tender Agent to proceed with all actions which are required, inter alia, to complete the transfer of the Tendered Shares acting in the name and on account of the

6 ACCEPTANCE PROCEDURE OF THE TENDER OFFER

Accepting Shareholder, to enter into the Contribution Agreement acting in its own name but for the account of the Accepting Shareholder, to sign the Subscription Form acting in its own name but for the account of the Accepting Shareholder, as applicable, or to return them to the Initial Operator in the case set out in paragraph 6.5.3 below.

6.3.2 The Declarations of Acceptance which are submitted in the manner described above may only be revoked if the Accepting Shareholder exercises a Revocation Right. In such case, the Accepting Shareholder who has submitted a Declaration of Acceptance may revoke it by submitting a relevant Declaration of Revocation to the Tender Agent, within the Acceptance Period.

6.4 THE ANNOUNCEMENT OF THE OUTCOME OF THE TENDER OFFER

The outcome of the Tender Offer will be announced within two (2) business days following the end of the Acceptance Period on the Daily Bulletin and on the web site of the Athens Exchange.

6.5 CLOSING PROCEDURE

6.5.1 Following the announcement of the outcome of the Tender Offer in accordance with paragraph 6.4 above, and provided that a Declaration of Revocation has not been submitted in the meantime by an Accepting Shareholder, the pre-requisite relating to the Minimum Number of Shares has been fulfilled and further the Tender Offer has not been revoked, a contract is concluded, and each Accepting Shareholder will be deemed to have agreed to contribute in kind his Tendered Shares in the share capital increase of the Offeror against the issuance of Consideration Shares to which the Accepting Shareholder is entitled, pursuant to the terms of the Information Circular, the Declaration of Acceptance and the Contribution Agreement.

6.5.2 The transfer of the ownership of the Tendered Shares and delivery of the Consideration Shares will be effected as follows:

- (a) Within up to two business days following the end of the Acceptance Period, the Tender Agent, acting in the name and for the account of the Accepting Shareholders, and the Offeror will enter into the Off-exchange Transfer Agreement and the Contribution Agreement, while the Tender Agent will also sign the Subscription Form. Thereafter, the Tender Agent will, acting in the above capacity, proceed with the necessary actions for the submission to the HCSD of the necessary documents for the registration of the transfer of the Transferred Shares with the Securities Account of the Offeror at the DSS.
- (b) The off-exchange transfer of the Transferred Shares will be registered with the DSS on the same day following the submission of the documentation required in connection with such a transaction to the HCSD, as set out in Article 46 of the DSS Regulation.
- (c) At the latest on the next business day, on which the registration referred to in (b) above will have been completed, and as the extraordinary General Meeting of the Offeror's shareholders held on 13 May 2019 has already approved, subject to the realisation of the Tender Offer, inter alia, the share capital increase of the Offeror through a contribution in kind of the TITAN Shares that will be tendered in consideration for the issuance of Consideration Shares, the Offeror's statutory auditor will certify the subscription for the Consideration Shares based on the Subscription Form and one or more members of the Offeror's Board of Directors will, among other things, certify

that the contribution in kind of the Transferred Shares has been made and will enact the issuance of the Consideration Shares in the presence of a notary public.

- (d) Without delay following completion of the actions set out in (c) above:
 - (i) the Offeror will create the Offeror Shares in dematerialised form through the system of Euroclear Belgium for delivery to the settlement account kept by the Settlement Agent with Euroclear Belgium; and
 - (ii) according to the instructions that the Offeror will have received from the Settlement Agent based on the Declarations of Acceptance, the Offeror Shares in dematerialised form will be credited, directly or indirectly, as follows:
 - (A) To the account of a member of Euroclear Belgium, which will have been designated by an Accepting Shareholder who elected to receive Consideration Shares in dematerialised form through Euroclear Belgium in the Declaration of Acceptance.
 - (B) To the account of HCSD held through a custodian in Euroclear Belgium, on behalf of each Accepting Shareholder who will either have elected to receive Consideration Shares in dematerialised form at the DSS or in the other circumstances contemplated in paragraph 6.2.2 above. The HCSD will then credit the relevant Consideration Shares to the Securities Account which will have been designated by such Accepting Shareholder in the Declaration of Acceptance or otherwise to the Securities Account to which the Tendered Shares were credited.

Upon crediting the Consideration Shares in accordance with the above, the Tender Agent will be deemed to have performed its relevant obligations towards the Offeror and the Accepting Shareholders, and under no circumstances will it be liable for any further actions or omissions of the persons who have taken delivery of the Consideration Shares or any other third parties, or even for random events, or even for the due and timely delivery of the Consideration Shares to the Accepting Shareholders entitled thereto.

The Offeror has made all necessary arrangements and is to enter into all required agreements to ensure the timely and due delivery of the Consideration Shares to the Accepting Shareholders entitled thereto.

6.5.3 If either a Declaration of Revocation is submitted by an Accepting Shareholder within the Acceptance Period, or the pre-requisite of the Minimum Number of Shares is not fulfilled and/or the Condition is not satisfied, or the Tender Offer is revoked, in each case as set out in paragraphs 5.2 and 5.18 above, the Tender Agent will return the Tendered Shares to the Operator from which it has received them, at the latest within one business day following the occurrence of any of the above.

6.6 FOREIGN SHAREHOLDERS

STATEMENT OF THE ADVISOR

1. This Tender Offer is a share-for-share transaction only and therefore its credibility depends primarily upon the ability of the Offeror to issue and deliver the appropriate number of Consideration Shares to the Accepting Shareholders.
